

Q:**How will God provide the necessary funds for the Webers to minister as missionaries in Belgium?****A:****According to God's perfect plan!**

The Webers are praying that God will provide both churches and individuals who will partner together to provide the necessary funds for them to accomplish the ministry God has called them to in Belgium.

Has God prepared you and/or your church to financially partner on a monthly basis with the Webers to accomplish God's plan for their ministry in Belgium?
