

MINISTRY IN BELGIUM

Our Passion

Partnership with Belgians to equip Belgians to take the Gospel to the world through evangelism, discipleship, leadership development, church planting, and theological training!

Our Vision

To successfully partner with Belgian pastors in existing Baptist churches to disciple and equip Belgians to plant churches where no Gospel-preaching churches exist in Belgian towns AND around the world.

Our Future Training [Years 1 & 2]

- Cultural Immersion – Live with the Belgians to study and understand their cultural norms & perspectives
- Language Training – full-time study of Flemish and French with constant application and usage in daily life situations
- Belgian Church Exposure – worship with Belgians in an existing Baptist church to learn about the Belgian church norms and gain awareness of ministry opportunities
- Personal Evangelism – actively pursue personal relationships with neighbors and others in the community to show genuine concern for their personal and spiritual needs

Our Lifetime Ministry [Years 3 & beyond]

- Pastoral ministry – partner with a Belgian pastor/pastoral team to disciple, train and equip Belgians believers to take the Gospel to the world!
- Church Planting – support the church planting efforts of Belgians to establish Gospel preaching Baptist churches in unreached towns and villages.
- World Impact – with Belgium at the crossroads of Europe, the Belgian church will have tremendous opportunity to impact all of Europe and the world.
